ONE CALL · ONE PERSON · ZERO STRESS

Your Agent and Your Lender. Same Person. No Handoff.

Most agents hand you off to a lender and disappear. I'm dual-licensed: I write your offer and originate your loan. One point of contact from showing to keys.

01

Faster Approvals

Direct access to lending. No middleman, no waiting on a third party to return your call.

02

Fewer Closing Surprises

One person managing both sides of the deal means nothing falls through the cracks at the finish line.

03

Total Accountability

Your agent and your lender are the same person. No finger-pointing if something goes sideways.

ONE FILE, NO HANDOFF

Ask me the financing questions right here. I'm your agent and your lender, so you get a straight answer on what you can buy, and the pre-approval comes from the same person who writes your offer.

OFFERS LIVE RIGHT NOW

Same-Week Pre-Approval

A real pre-approval letter in your hands within days, not weeks, so you can write a confident offer the moment you find the one.

Lease Buyout Program

Currently renting? I'll cover your lease break fee or apply cash to your closing costs, whichever saves you more. Uncapped, no fine print, when you use both Estrada Real Estate Group and Lockstep Mortgage.

NEXT STEPS

Let's See What You Can Actually Buy.

Whether this is the house or not, let's get clarity on your real buying power so the next one you walk into, you can write an offer with confidence.
